President's Message

As the year draws to a close it's time for us to reflect upon 2017, give thanks for our blessings and remember those who are no longer with us. I think about my mother and father as well as the number of friends who have left. Some people were great friends, some were friends and some were acquaintances. I miss each and every one of them.

2018 is a time to rejoice with those who are here and contribute to our lives. The board members are certainly those who I am thankful for. They work hard for the benefit of the members of this wonderful branch. They keep me on my toes and help me through confusing times. We often forget to say "**Thank You**", and now is the time. So "**Thank You**" to each and every member who makes this job more enjoyable. To those who stand beside and behind every other member and helps each of us to get over the bumps in the road.

2018 is also time to remember our **mission statement** and our **commitment** to the girls and women who make up our nation. **Tech Trek** is one area where we contribute to the growth and increase knowledge of the young winners. They have a wonderful opportunity to grow and demonstrate how AAUW can make a difference. Only time will tell the path that they may choose to pursue, but I'm sure that their lives will be richer for the experience.

As we look forward to another great year, let's not forget to continue to do our very best to make a difference. **Yesterday is gone, tomorrow is not promised, but today is our chance to demonstrate the value of life, happiness and take joy in our opportunities.** Have a wonderful and special holiday season. I look forward to sharing 2018 with all of you.

President Elect's Message

I want to thank everyone who gave money to the Phantom Gala Ball (that never existed). We received donations for both the AAUW Fund and Tech Trek Camperships.

I sincerely appreciate your generosity.

And, remember, your contributions are fully tax deductible so if you choose to send money before the end of the year, that would be greatly appreciated, too.

Public Policy

Public Policy:

In the past, I have **encouraged AAUW members to write to their representatives**, in Sacramento as well as those in Washington. Recently, I sent an **email message to President Trump**.

This is the response I received

THE WHITE HOUSE WASHINGTON

November 3, 2017

Thank you for contacting the White House. We are carefully reviewing your message.

President Donald J. Trump believes the strength of our country lies in the spirit of the American people and their willingness to stay informed and get involved. President Trump appreciates you taking the time to reach out.

If you wish to receive regular email updates from the White House, please **[Click Here](#)**. You may also wish to follow President Trump and the White House on **[Facebook](#)**, **[Instagram](#)**, **[Twitter](#)**, and **[Youtube](#)**.

Sincerely,
The Office of Presidential Correspondence

I don't have Instagram or Twitter and I seldom refer to Facebook or Youtube, so I guess I'll have to rely on his regular email updates. Perhaps in years to come when his emails are investigated, someone may call on me.

An Update From Senator Dianne Feinstein

November 14, 2017

COMMONSENSE GUN SAFETY

Senators Introduce Assault Weapons Ban (November 8, 2017)

“We’re introducing an updated Assault Weapons Ban for one reason: so that after every mass shooting with a military-style assault weapon, the American people will know that a tool to reduce these massacres is sitting in the Senate, ready for debate and a vote.” To read the full press release, [CLICK HERE](#).

Feinstein Statement on Sutherland Springs Shootings (November 5, 2017)

“When will this end? When will we decide that we can’t accept massacres in our places of worship, schools, or at concerts? When will we actually do something about it?” To read the full statement, [CLICK HERE](#).

Feinstein Supports Expanded Background Checks (October 25, 2017)

“We must not allow the country to resume business as usual after the deadliest mass shooting in our country’s history. We’re going to keep pushing for commonsense policies to reduce gun violence, and chief among them is closing the glaring loophole in the background check process.” To read the full statement, [CLICK HERE](#).

And so do I want to ban assault weapons and expand background checks. I do want a well regulated militia (army) so I am strong to support the second amendment.

Membership

Dear Members,

This is the joyous time of the year, but I need to address an unpleasant issue of members RSVP to me after the cut-off date. The cut-off date is the **Monday BEFORE** our Saturday luncheon because I need to give "The Grill" our numbers on how many orders for the menu.

This becomes very confusing and difficult for the restaurant to keep changing how many orders need to be corrected. I fear someday the restaurant is going to charge us for each change.

Therefore, as of **January 1, 2018, any member emailing, or calling me AFTER the Monday cut-off date will be charged an extra \$5.00.**

Please get your RSVP into me before the cut-off date. Thank you all for your understanding.

Tech Trek Alumni

A trip to The Living Desert

The Tech Trek Alumni Club was off to a “roaring” start with our first event at The Living Desert on November 17. This educational and fun event included talks with staff about STEM

careers at The Living Desert, a guided tour of the Veterinary Hospital and a Zoo Keeper Chat at the African Wild Dog display. Then we had time to explore the grounds and enjoy visiting the animals. The bighorn sheep and giraffes were instant favorites! It was a beautiful day to learn more about this incredible venue and build camaraderie and friendships with our TT girls. In attendance from 2014 was Emely Rocha, from 2016 we had Sarah Peterson and Leah Morena and from 2017 we had Lilana Villalpando-Lua, Munashe Powell and Belen Martiez-Rios.

Hanukkah and Christmas

Hanukkah is the preferred spelling, but it can also be spelled Chanukah or Chanukkah

The Hebrew word Hanukkah means **dedication**

Hanukkah commemorates the **victory of the Maccabees over the Syrians** and the re-dedication of the Second Temple of Jerusalem around 165 BC

The Christmas story is told primarily in the **Gospels of Saint Luke and Saint Matthew** in the New Testament

The word Christmas is **derived from the Old English phrase Cristes maesse** (Christ's mass)

The tradition of substituting X-mas for Christmas has its origins in the

Re-dedication was necessary because Seleucid King of Syria, Antiochus IV Epiphanes, had defiled the Temple by having an altar to Zeus placed there

When the Maccabees began preparing the Temple for the re-dedication, they found that they only had enough oil to light the Temple for one night. It ended up **lasting for eight days**, until the delivery of new consecrated oil

Candles are lit each night of Hanukkah to **commemorate the miracle**

early Christian church. **The first letter of Jesus Christ's name is X in the Greek language**

Many of the customs and symbols traditionally associated with Christmas originated with **ancient pagan festivals** and winter solstice rituals

St. Nicholas, the real person on whom Santa Claus is based, **lived in the 4th century AD** in the province of Lycia on the southwest coast of Asia Minor
