

Advertise your Business in the AAUW Newsletter for Just \$50

Sponsor Your Local AAUW Branch

Good for your business: A \$50 annual sponsorship secures a prominent display of your business name and contact info in our monthly newsletters, branch directory, *and* website (<https://palmsprings-ca.aauw.net>). We have over 120 members – many who are new to the area; some from out-of-state – who get the newsletters.

Good for our community: AAUW is a well-respected and distinguished organization; a lesser-known but effectively positive member of the Coachella Valley community for 70 +years! We're the only organization in the Coachella Valley that selects 7th & 8th grade girls to attend AAUW STEM Camp for a week at nearby universities, living in campus dorms. We've sponsored nearly 150 Campers in the last 20 years. We're the only local organization that sends two college students to the National Conference for College Women Student Leaders in Maryland. We're the only local organization that provides non-partisan educational and leadership programs for the betterment of women and girls in the community and in college based on AAUW research, advocacy and philanthropy.

Questions? Contact Peggy Shippen, Branch Fundraising VP shippen63@gmail.com **for more information.**
