

August 16,2021 Emergency AAUW board meeting

Called to order by Sharron 2:10 pm

Present: Gail Aune, Laura Eaton, Sharrell, Sharron, Gillian German, Marsha Riley, Janet Braslow and 3 others (sorry I neglected to take a screen shot) Jennifer Jank ?

Laura reported that we do not yet have a contract. There were several discrepancies between discussions with Jeanette and what was in the contract. Total for lunch, service fee and tax was 39.42. As there is no signed contract there would be no penalty for cancelling September 11 meeting.

The consensus of those present was to move to zoom for the September, October, November and December meetings with reconsideration of the holiday party as that draws closer.

Our speaker for September has presented on zoom previously, and Laura will plan to go to her home to help her sign in and give her time ques.

Sharrell and Laura will meet again with Jeanette of Monterey Country Club and consider a contract beginning in January with a limit of a total price of \$30.

Gill reported that we have 80 paid members

The September 11 meeting will begin with social time 11:30 – 11:45 and speaker beginning at 11:45.

With business complete, we adjourned at 2:28
